Dear Citizens:

Throughout the recent mayoral race, many of you expressed a desire to become more involved in city governance. I also committed to establishing new committees to address issues of citizen concern.

To that end, I am announcing a new method by which citizens can participate in various City committees and boards. All openings will now be announced and any citizen can apply to serve. We will utilize an application/interview process to make appointments.

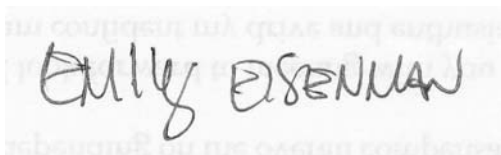

Presently we have openings on the Planning & Zoning Commission, the Library Board, and the Historic Restoration Committee (for the school & auditorium project). In addition, the city will be establishing several new committees including Public Safety Advisory and Business Development committees.

More information on the work of these committees, along with details on meeting times and anticipated time commitments, are available on our website ([www.cityofwinterville.com](http://www.cityofwinterville.com)) or at City Hall.

The deadline for the current openings on the Planning & Zoning Commission, Library Board, and the Historic Restoration Committee is January 31. The deadline for all other openings is February 28.

I thank you in advance for your willingness to serve the City of Winterville.

Sincerely,
