Dear Wintervillians,

Over the last few months I have spoken with many of you about pushing City Hall further into the community and the need for our community and municipal government to be better represented by the wonderfully diverse population that we have here in Winterville. I also heard from many of you pledging your service. As a result, I have set up or reinstated several new committees and councils. Enclosed in this mailing you will find a list of these committees and councils and a form to apply to those that are of interest to you. You will also find all of this information on our website ([www.cityofwinterville.com](http://www.cityofwinterville.com)) and at City Hall.

You will see on the form that some councils are specific to residents within the city limits, and others, are open to those outside the city limits. If you have questions related to these councils or any other city matter, you can email me at [wintervillemayor@gmail.com](mailto:wintervillemayor@gmail.com).

The application deadline for the Planning and Zoning Commission will be January 29th. The application deadline for all other councils and committees herein will be February 28th.

Please consider these important committees and councils to serve the great city of Winterville and help strengthen your community. We have a lot to accomplish and we can do it together. Thank you all in advance for your willingness to serve!

Sincerely,
